

PRATIBHA GLOBAL SCHOOL , INDORE

Run by SKC LNCT Group

Proposed affiliation to central board of secondary Education

**Glimpse of PGS:**

Our school Pratibha Global School run by SKC LNCT group is a school which provide affordable and quality education to our dear students. Our Pedagogy, Curriculum and infrastructure are carefully designed to develop life skills such as logical, reasoning and creativity in all our students. We believe that every child is special so our efforts is to nurture the children and to value every child's special talents, abilities , interests and learning needs.

**Facilities:**

PGS is not only committed to provide the best possible care and education to its pupils but also provide stimulating and supportive environment for everyone. It also includes smart classes art and craft activities different different sport activities etc.

**School Life:**

PGS offers vibrant education where students are challenged and engaged in a range of intellectual, social and ethical ways.

**Academics:**

PGS has divided classes in different groups and name them according to its qualities.

**Montessori(Pre-Primary wing): “UMANG”**

Our PGS has named Pre-Primary classes as ‘UMANG’ as the students are very cheerful and In this curriculum it’s designed to care the needs of learner and provide them an opportunity to explore and enhance various skills and concepts.

### Primary wing: "TARANG"

While moving ahead with the development program in the Montessori section the eastern enter a new world of education so we named it "Tarang" where the exposure would be on the teaching of subjects this curriculum is mainly focused on the development of skill subjective as well as life skills through student friendly approach.

### **Middle wing: "UTSAH"**

Formal Teaching of subjects practiced in primary classes is taken up to the next level in middle classes so we named them as 'UTSAH' because in these classes various types of methods and activities are included in this curriculum. The various methods include assignments, projects, various exercises in form of worksheets and practice sheets, the nature walk, field trip and indoor and outdoor activities.

### Higher Wings: “TEJASV”

Formal teaching of subjects practiced in above mentioned classes is taken up to the next level so we named it as ‘Tejasv’ as in this apart from detailed studies in each subject there are many subjects related enrichment activities as problem based learning projects, practicals, field work, literary and creative writing activities and presentations.

**Houses:** Our school PGS has divided students in different groups/ houses

- CHANAKYA
- ARYABHATT
- BHASKAR
- RAMANUJ

### Co-Curriculum:

In co-curriculum we include different kind of activities indoors as well as outdoors. In addition with activities we also focus on health benefits so exercise are done by students on regular basis which help them in their physical as well as in mental development. qualities such as time management, determination can be developed through different activities. In addition to this they also learn to become gracious winners.
